PRIVATE TASTINGS

In our home or yours!

INVITE YOUR FRIENDS & FAMILY AND LET HERITAGE DO THE REST.

We've been educating and entertaining our cherished guests with wine, beer and cocktail tastings at our Coffee, Wine & Provisions Store since we opened nearly 5 years ago.

Our unique approach is what makes Heritage different!

We understand *why* you like your favorite wines and we'd love to show you how to find more of them. Our private tastings will not only entertain you and your guests with delightful wines and wonderful personal stories, but we also prescribe an approach that's highly informative allowing your guests to relax, enjoy and participate.

After all, we maintain wine is nature's greatest gift and is meant to be enjoyed and shared!

Any occasion can be turned into a wine tasting!
Birthdays, Anniversaries, Cocktail Parties, Pre-dinner drinks,
Office or Team gatherings, Showers... *you name it*
and we can organize a tasting for it!
